

# Tithe Farm Primary Family Survey Results

## Safeguarding Survey 2026

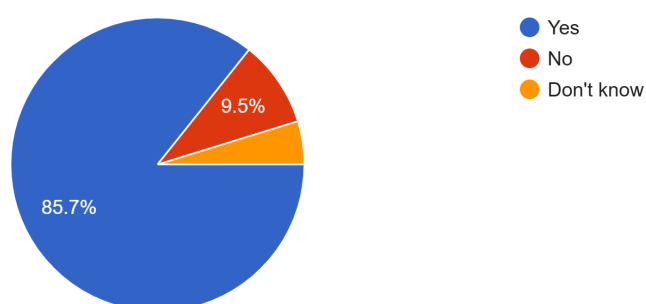

Does your child feel safe in school?

21 responses

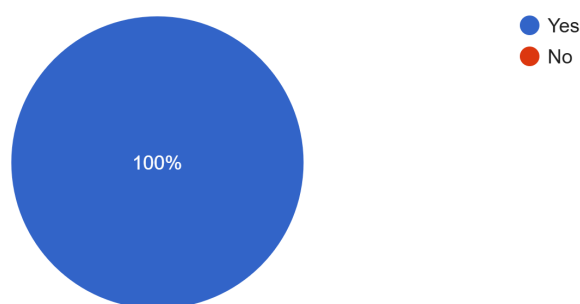

Are you satisfied that your children are safe and protected at our school?

21 responses

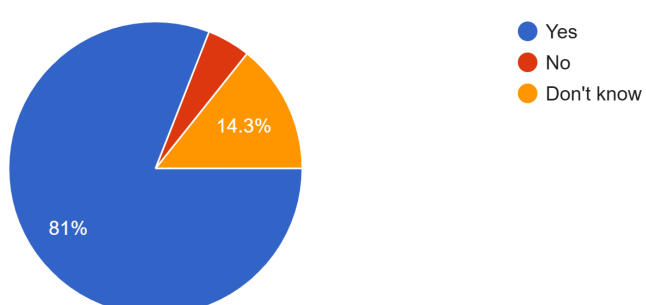

Is your child aware of who they can speak to if they needed to?

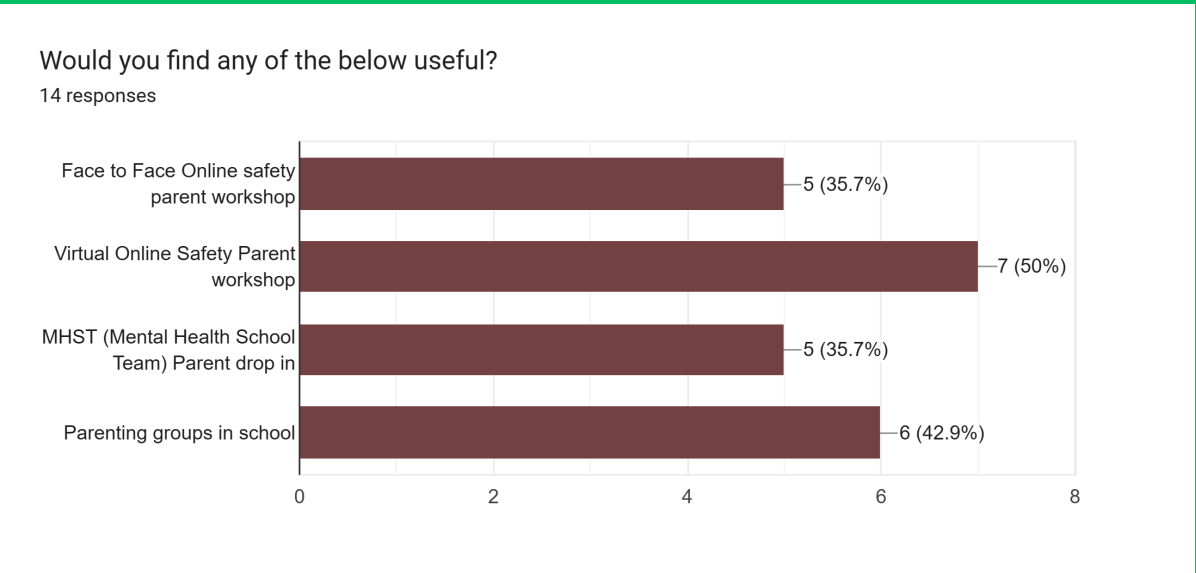

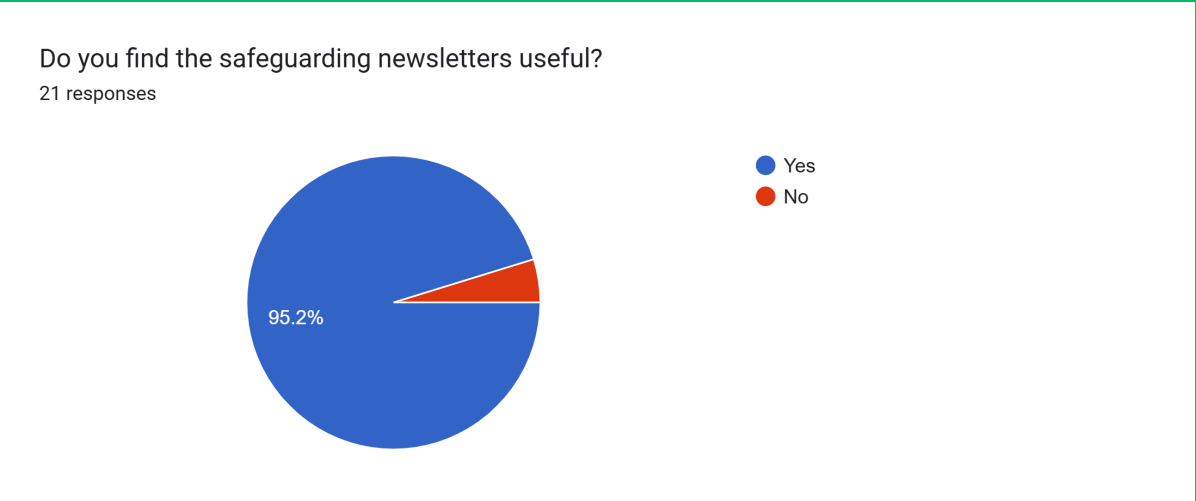

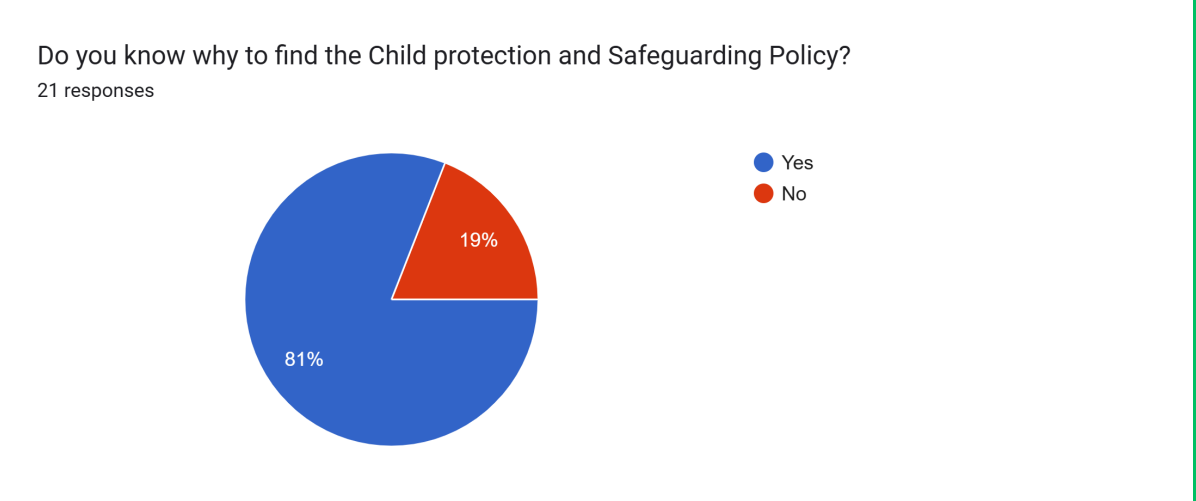

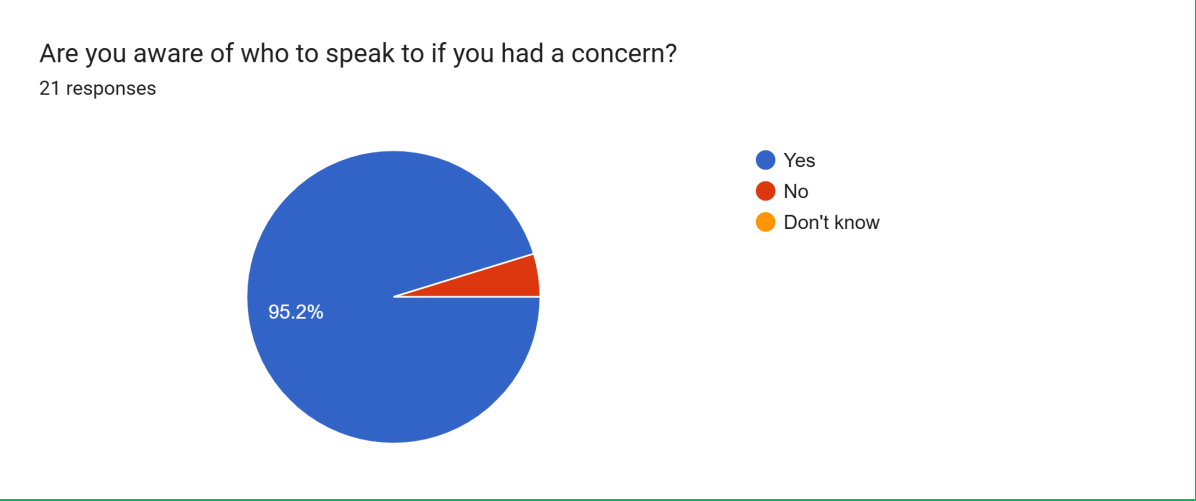

21 responses

Are you satisfied that the school is complying with its safeguarding requirements?

21 responses

“Most families answered ‘yes’ to the main questions in the survey. Many parents said they know who to talk to if they ever have a worry, and that their child feels safe and happy at school. Only a small number of families chose ‘no’ or ‘not sure’. Overall, the results show that families feel supported, listened to, and well informed.”
