

# FREE E.BOOKS WITH ACCELERATED READER QUIZZES

A selection of free E.Books is available from Oxford Owl. The list has been changed from the last one we sent out and is being added to, by the company, on a regular basis. Below is a short list to get the children started and we will send regular updates as more books become available.

You can access the books via [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)

Choose 'oxford owl for home' which is the green box on the right of the page and register by clicking on 'join us' in the top right hand corner. Use your own personal details. There is no charge. This system does not always work well on mobile phones but works well on other devices so please try an alternative device to your phone before contacting school.
