### **Central Bedfordshire Primary Schools Street Tag Leader Board**

We are delighted to announce that Tithe Farm Primary will be participating in the Street Tag Central Bedfordshire Schools Leader Board program.

With Street Tag, participants record the distance they walk, run, or cycle by collecting virtual tags with their smartphone at various locations, watching their total distance accumulate to climb up the Schools Leader Board; steps are converted into points by syncing their steps into the Street Tag app. This is designed to encourage families to walk and cycle to school, to be physically active, to connect with green spaces, and is an opportunity to rediscover their local area as well as earning rewards for their school.

Power Hour is a flexible hour during the day for you to work out by walking, cycling, running to scan virtual tags.

When you tag during your power hour, you earn triple points per each virtual tag that you successfully scan. You can pick your 'Power Hour' of choice timeslot at least 24 hours in advance. The Power Hour will not work for the same day if not selected in advance. You can select up to 7 days of Power Hour slots in advance. When your Power Hour starts, there will be a countdown for that hour, and all the 'tags' (not steps) that are scanned during that hour will be triple points, except for Saturdays between 10 AM and 11 AM Power Hour will not be available for selection. You do not have to exercise for the whole hour, you can exercise for the whole hour or you can do as much as you wish to do. The standard points assigned to each tag will remain outside of your selected power hour.

#### Power Hour Streaks

Every time you complete consecutive day streaks of daily power hour exercise, you earn an additional bonus that grows bigger with the more days streak you complete.

For example, you complete 2 days streak, that's +50, with each day it's plus +5 added to the 50 i.e. On the third day it will be 50 (for the two days) + 55 (on the third day) = 105. If you complete another day 4 streak that will be 105 + 60 = 165. Day 5 streak will be 165 + 65 = 230. Day 6 streak will be 230 + 70 = 300. If by day 7 you miss your power hour; ONLY then will the total 300 streak points be credited into your account. And a new streak can start. Your streaks can be as long as you want them to be.
