December 2021

Dear Year 6 Families,

As you will be aware from my previous letter, the government have provided funds to support schools in 'catching up' learning for children after the Covid-19 lockdowns.

Towards the end of this year the children in Year 6 will take part in end of Key Stage 2 SATS. To help them become fluent in their tables and number recall we are inviting Year 6 children to come to school at 8:20 on a Monday, Wednesday and Friday morning from Wednesday 5th January.

Children should come in through the front entrance at 8:20 and go straight to the computer room where they will be met by Mrs Rowe and Miss Conway. During this time the children will have the opportunity to practice their number fluency using TT Rockstars and the maths game Prodigy .

We would also like the children to bring their reading books so that if there is the opportunity to they can also be heard read by an adult.

At 8:50am the children will transfer straight to class in time to be registered and start their learning.

Yours Sincerely,

A handwritten signature in black ink that reads 'RWorsfold'.

Mrs Worsfold
