### Comments which made us smile:

- My child has improved so much since attending the nursery. His speech and behaviour and interaction with other children, adult have improved so much and he is so much more happy in himself so coming here really happy I chose for him to attend here.
- The school overall is fantastic. 5 out of 7 of my children have attended this school, 1 of them being autistic and we are supported in this aspect. There is always someone on hand to talk about any worries you may have. Couldn't recommend this school more.
- Tapestry is a great way of showing what my child is learning at school. I think the staff work hard making observations.
- Mr.Philbin is great.
- Schools communication with parents is very good from my experience
- Read write Inc works really well
- I like the different clubs that are offered and free. I like how the school does trips for the children. I like how the school provides homework and ensures children are reading.
- The school is run well and all staff are very helpful, friendly and caring towards my child. Good structure is in place with the school and generally a lovely school to attend.
- Miss Trott is a lovely teacher to talk to and work through any problems that my child might have.
- Friendliness of the staff and helpfulness has always been present.
- Focus on reading and phonics.
- Teaching pupils and encouraging them to learn.
- The rate my child has progressed in literacy and maths is outstanding and a credit to the teaching team. My child has excellent relationships with his teachers and has become an avid learner with high expectations of himself - at only 4 years old! Thank you!
- I feel that the school deals well with smaller issues when they arise to stop them getting out of hand.
- My child feels like she can raise concerns she may have which is good, and I like that she feels supported in this way.

#### What we can improve on:

- Communication
- More homework
- Behaviour in my child's class.
- More teacher-parent communication.
- More variety of after school clubs and better activities at big fun club
- Let siblings do after school activities together
- Doing more for charities
- Notice of events in plenty of time.
- Upgrading /extending the school. More spaces in the activity clubs after school.
- Cleanliness of the toilets
- Looking after kids while they are outside at break times.
- Year 2 should be able to change their books quicker not once a week. To encourage them to read more using stickers or prizes.
