26th January 2023

Dear Families,

Key Stage 1 Playground Project

Starting next Monday (30th Jan) we will have a building team on site from Pentagon Playgrounds. They will be removing the existing wooden playground structure on the Key Stage 1 Playground and replacing it with brand new equipment as per the artist impressions in this letter. We are very excited by the project and what it will mean for our children in early years and Key Stage 1.

The Pentagon team will be on site for approximately 2 weeks. During the build, access will be restricted around the school site. There will be no access around the rear of the school through the back carpark. Parents with siblings in year groups who normally drop off and pick up from both playgrounds will only be able to pick up the children from Reception and Year 1 then go back through the Key Stage 1 gate and enter the Key Stage 2 playground through the pedestrian gate by the neighbourhood centre. **THERE IS NO ACCESS AROUND THE SITE.**

Children in year 2 should be dropped off and picked up via the door into the ICT suite on the rear carpark. Parents will need to access the school via the Key Stage 2 pedestrian gate.

We understand that this temporary arrangement may cause inconvenience for parents and we appreciate your understanding during the next couple of weeks. The results should more than justify the inconvenience.

Yours sincerely,

Mrs R Worsfold
Headteacher

The Tithe Farm Way:

Resilient pupils who have a life-long love of learning and are ready, respectful and safe in their choices.
