## **Re: Parent Meetings – teaching your child to read (Early Years and Key Stage 1)**

Dear Families,

Learning to read is the most important thing your child will learn at our school. Everything else depends on it, so we do all we can to make sure every child learns to read quickly.

We want your child to love reading – and to want to read for themselves. This is why we have chosen to use the Read Write Inc. scheme of work. This is a new programme for us this year. We are excited to implement it at Tithe Farm as it is a DfE accredited phonics scheme which has proven impact on pupils early reading.

To further support your children learning to read- we need you! This is why throughout the year we will run a series of meetings for parents to learn how we are teaching your children to read, and learn how you can help at home.

We are holding our first meeting on **21/09/22 at 9:00am and 3:00pm** (this will be the same meeting so please only attend one). This meeting is an introduction to *Read Write Inc.* Phonics and will give you an overview of the year and how we teach children to read. Please come to the main reception and you will be shown to where the meeting is taking place.

In the meantime, make sure you read to your child every day. For further information and helpful videos please visit <https://www.ruthmiskin.com/en/find-out-more/parents/>

Yours sincerely,

Miss Brassinne
