13th November 2023

RE: Year 6 SATs preparations

Dear Parents/Carers

After our first round of mock exams and parent's evening appointments, adults in school are already thinking about how we can best support your child in the lead up to their SATs in May 2024.

With this in mind, we would like to invite you to a parent workshop we will be holding that will help you understand how you can also support your child as they work towards their SATs next year.

The workshop will introduce you to the types of questions they will be asked to answer, what you can be doing at home together to assist them in making progress and also what you can expect from us over the coming months. There will also be time for you to ask any further questions you may have regarding the examination process.

We advise all parents to attend, regardless of your child's current attainment and progress. Details of the workshop can be found below.

When: Thursday 30th November at 3:45pm

Where: Year 6 classroom

Duration: Approximately 30 mins

We look forward to seeing as many of you there as possible.

Yours Sincerely,

Mr G Holloway and Mr L Wisbey
Year 6 class teachers
