Comments which made us smile:

- Teachers and staff show great care for the children
- My daughter has picked up a lot of vocabulary and is very confident to count and add the numbers.
- Great variety of clubs
- Issues and concerns dealt with in a timely manner
- Good communication with what is going on during the school day.
- Teachers are approachable, I know if I had any concerns I could talk them through with someone. I have enjoyed the Oracy End Points and going into my daughter's classroom.
- I feel Tithe Farm is a well run school and if I have any problems they try very hard to help or resolve any issues. I would definitely recommend it to people, which I have done before.
- The most important thing is that my child is happy, safe and he learns. All the staff in school is absolutely amazing and helpful. Thank-you.
- My child loves school and she feels safe.
- The school staff always do their best for the pupils and support for anything is always available when needed. The school in my opinion is run to the highest standards.
- The teachers are kind and welcoming to new students regardless of race. There is no racism at Tithe Farm Primary.
- Great school. Great SEND support.
- Diverse and inclusive and children happy
- The school has made great improvements since filling out the last questionnaire.
- Great school lunches.
- All staff are approachable. Encouraging good values and behaviour at school.

What we can improve on:

- Communication
- More regular updates on the website
- Ensure dates are correct on calendars and communication
- More variety of after school clubs
- Upgrading /extending the school.
- Cleanliness of the toilets (particularly Key Stage 1)
- More space in Big Fun Club

As a staff we work tirelessly to ensure that your children receive the best at Tithe Farm. We are pleased that this is recognised in your responses and comments. As with everything, there will always be ways in which we can improve. We will take on board and act on the feedback given.

Yours sincerely,
