5th July 2024

Dear families,

As we come to the end of this academic year our thoughts are beginning to move to September 2024. There will be some staffing changes in September: Miss McLaughlin will be beginning to study for a PhD in Educational Psychology; Miss Farrow and Miss Onyije are both moving to be closer to their families; and Mr Philbin has secured a promotion in a school in Luton. We wish all of these teachers well in their new adventures and thank them for their dedication to teaching our children. We are excited to be welcoming Mrs Ratcliffe, Miss Oughton and Mrs Choudury to our teaching team.

On the afternoons of Tuesday 8th and Wednesday 9th July the children will be spending time getting to know their new teachers. After school on Tuesday 9th July, families are invited to come in and meet the new class teachers informally. Families should collect their children as usual and make their way to the appropriate door for the new classrooms (staff will be available to support with this). Doors will close at 3:40pm to allow teachers to move to their new rooms. At 3:45 the doors will reopen and families can make their way to the new classroom. Please leave school via the pedestrian gates on the Key Stage 1 and 2 playgrounds.

To support transition, below is a list of the teachers and the classes they will teach next year. Children will find out which class and class teacher they will have on Tuesday.

Due to the large intake of pupils this year 2 year groups have become imbalanced. To ensure a balance within classes we are mixing the current Year 2 classes and the current Year 5 classes as they move into their new year groups. Class teachers have worked together to make the new classes and have taken into consideration many different factors, including friendships.

Yours sincerely,
Mrs Worsfold
Headteacher
