

Hello, my name is Miss Ward and I am going to be teaching Quartz in year 1.

### 3 Facts About Me:

1. I have a very troublesome dog called Reggie. We love going for walks through the forest and playing at beaches.

2. I try to explore as many countries as I can and often get myself lost. I love learning about different cultures and family traditions.

3. Before I was a teacher I almost became a photographer. I still enjoy taking photos and teaching all types of art styles.
