

The Tithe Farm Way: Resilient pupils who have a life-long love of learning and are ready, respectful and safe in their choices.

Friday 15th November 2025

Dear Families,

I am pleased to inform you that the building work outside Reception and on the Key Stage 1 playground has now been completed. We are very pleased with the finished result and once any snags have been rectified we are sure the children will enjoy using the areas to learn.

From Monday 18th November, drop off and collection will return to normal (from the classroom doors). Year 2 families, you may find it easier to continue to come in through the Key Stage 2 gate rather than the Early Years and Key Stage 1 playground as this can get congested.

The playground has now been separated with a specific area for Reception, this means that a gate will be opened for you to move through to the Year 1 classrooms. Please do not allow your children to play in the Reception outdoor classroom or surfaced area or in the canopied area at the end of the building at the beginning or end of the school day; these are learning spaces and will be set ready for learning.

Reception collection and drop off

Please drop your child at the bottom of the ramps going into the classroom rather than coming right up to the internal door - an adult will greet you at the appropriate entrance and your child can walk in from here.

At the end of the day, please ensure that you remain on the playground (do not come into the outdoor classroom area). Children will come out and be released from the canopied area to their adult.

Yours sincerely,

Mrs Worsfold
Headteacher
