

The Tithe Farm Way:

Resilient pupils who have a life-long love of learning and are ready, respectful and safe in their choices.

Our Learning Journey: The World Has Changed

Year 1 – Toys

1

What are some of our favourite soft toys?

I can describe one of my soft toys.

2

Which modern toy is the most popular in our class?

The toy with the most votes is the most popular.

3

What is this modern toy like?

Modern toys are usually made from plastic. They may need batteries or electricity to make them work.

4

What were old toys like?

Old toys were usually made from wood, glass, fabric or metal. They were moved by hand.

5

Is this an old or modern toy? How do you know this?

A modern toy is made from plastic but an old toy is made from wood, glass, fabric or metal.

6

How have teddy bears changed over time?

Old bears had long arms and were hard. Modern bears have more fur and are soft.

7

What toys did your parents and grandparents play with?

A questionnaire helps us to find out information about the past.

8

What toys did Victorian children play with?

Victorian children played with rocking horses, dolls, marbles, spinning tops and toy soldiers

9

How can we set up a class toy museum?

A toy museum would need pictures, artefacts, fact cards and labels.

10

How can I show my learning about toys?

I can use drawings, timelines and fact sentences to share my learning.
